The What If Guy Lauren Blakely 2020-07-24 It should be an easy rule to follow - don't bang your boss... But I didn't know who he was when I met him. And the first time I saw him, our connection sounded like the stuff of romantic legends -- that whole "their eyes locked across a crowded room" moment that turned into more. I didn't believe it. . . . until it happened to me. Fine, the charming, clever, sexy-as-sin guy in the tailored suit was only trying to buy the same Snoopy lunchbox (as a gift!), but still, our eyes totally locked, and my lady parts definitely tingled as we vied for the prize. Naturally, I did what any badass business woman would do. Negotiated for the lunchbox, then found my what-if guy online and made plans to see him the next night. One night only -- that was the deal we made. But one fantastic night had us both changing our minds in the morning. And making plans for another. Until I walked into the office to learn he just bought my company. And here's the biggest rule of romantic legends -- no matter what, don't bang your boss. Especially if you're already falling for him. THE WHAT IF GUY is a sexy standalone you can escape into! The other standalone romances in The Guys Who Got Away series include Dear Sexy Ex Boyfriend and Thanks For Last Night, with A Guy Walks Into My Bar as an MM standalone spin-off!

Dirty Billionaire Meghan March 2015-12-07 I've got a big ego and an even bigger bank account. That's pretty much where my bio ends. Honestly, I don't need to say anything else. I've just sold 99% of women on going home with me. Do I sound like a jerk to you? That's because I am. And guess what? It works for me just fine. Or at least it did. Until I met her. Books talk about sparks flying. With her, it was like emergency flares mixed with jet fuel. Or maybe just straight up napalm. Only one problem. She wouldn't tell me her name or her number when she disappeared from the hotel room after the hottest fucking night of my life. Now I've had a taste of the perfect woman—I need it again. So what's a jerk to do? I took this problem to the street. A missed connection gone viral. And when I find her? I'm keeping her. Dirty Billionaire is the first book in the Dirty Billionaire Trilogy. All three books are now available! Creighton and Holly's story continues in Dirty Pleasures and Dirty Together. WARNING: If you can't handle a dirty-talking, dominant alpha male, The Dirty Billionaire Trilogy may not be for you. If you're looking for your newest filthy billionaire book boyfriend, I'd love to introduce you to Creighton Karas. * * * This is a must-read for all those who love a hot, dirty mouthed alpha male. I dare you not to want a Creighton Karas for yourself. ~Alpha Book Club This story moved along at a fast-pace, with characters that held my attention from start to finish. In the few days she's his, Dylan plans to take control of every delectable inch of Leigha's body. But when the weekend is over, will he be able to let her go? **BOOK ONE EXCERPT:**I saw her across a crowded room. It's such a clich e, especially for me. I see beautiful women across crowded rooms all the time. The Delecta was my casino, and she was sitting at my bar. It's hard to say what made me stop. She wasn't a showgirl or a model, and nothing like the tall, skinny, overly made up women I was accustomed to. No, she was something else. She was real. When was the last time I'd had real? Real curves, generous enough to have her hips straining the seams of her navy blue dress. Real tits. Had to be. They were soft and full, even from a distance. They, too, strained against her dress. Mouthwatering. And her lips. A plump bow, ready to open for me. I had to see more.

Bad Billionaires Elise Faber 2019-06-03 **Bad Night Stand** The man had seemed so innocent in the bar--hot, hard, and possessing a butt that I wanted to bite like the last chocolate chip cookie in my stash. Of course, he'd also skipped town, leaving me woefully unsatisfied. That was before the news of a failed IUD. Before the plus sign. Before Jordan showed back up determined to make that night up to me. I didn't want a baby or a payday or a sexy, stubborn man in my life. I wanted to go back in time and pretend none of it had happened. Unfortunately, my life had become all about that plus sign . . . and there wasn't a damn thing I could do about it. **Bad Breakup** The first sign of trouble was the rough, masculine voice. The second was the Scottish accent. God, Cecelia loved Scottish accents. Colin McGregor was her every fantasy come to life. And Cecelia had been in love with him. Twice. Then had her heart broken. Twice. Well, the third time wasn't the charm and CeCe wasn't going to be stupid about Colin. Not again. Not now that she knew better. But had anyone informed Colin of that fact? **Bad Husband** Heather O'Keith is the biggest, baddest female CEO around. Known for being tough as nails, fair to a fault, and a shark when it comes to securing contracts for her business, RoboTech, she's also lonely. Not that she would tell anyone else that . . . least of all one Clay Steele--sexy, smart, cold, and a man with a business acumen that both matches and sometimes surpasses her own. But then Heather realizes that she may not be the only lonely one. The big lug who seems to enjoy tormenting her in the business world also has a soft side. And when that part of him is wholly directed at her, she gets stupid. Stupid finds her waking up hungover and naked in Clay's bed. With a giant diamond ring. On her left hand. Oh lord, what has she done? **Bad Date: A Never Before Released Novella** Blind dates were the absolute worst. Awkward, filled to the brim with small talk, and they never, ever worked out. Kay knew all that. Yet for some reason, she still had agreed to let Heather set her up. Maybe it was because Heather O'Keith had rescued her when some idiot had dropped half a Venti Frappuccino on her laptop, saving her nearly-completed novel and befriending her in the process. Maybe Heather was just a force to be reckoned with. Or maybe, it was because Kay had serious pushover tendencies. But when the date came, Kay found herself alone at a table for almost an hour before she called it quits. She'd been stood up. Yup, that was just perfect. Her night was shot, she was behind on her word count, but then . . . she quite literally ran into tall, dark, and handsome outside the restaurant. One look at him and Kay thought that perhaps her night might be salvaged after all. Until she discovered tall, dark, and handsome was a jerk. Until she discovered that jerk was her missing blind date--her rude and insufferable date who blew right by her as if she didn't exist. What. The. Hell?

Tell Me You're Mine J S Scott 2020-12 A chance encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new British Billionaires series....I am the type of woman who always plays it safe. In my professional life as a public relations "fixer", and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that's what I thought...until I met him. Damian No-Last-Name-Given is sexy as sin, and I'd developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I'd ever done in my entire life. I kissed him while everyone else in business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my office the very next day to apologize, and to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness.
