What? Ko Un 2008-01-22 Throughout his eventful life as a monk, poet, novelist, political dissident, husband, and father, Ko Un has remained a traveler on the Way. The poems in this collection, though strictly within the true Zen tradition, are as witty and down-to-earth as they are contemplative. Described by Allen Ginsberg as "thought-stopping Koan-like mental firecrackers," the poems reflect both writer and reader. First published in 1997, the new edition features a more sympathetic translation and 11 original brush paintings by the author.

Over to Candleford Flora Jane Thompson 2021-12-24 "Over to Candleford" by Flora Jane Thompson. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Creative Multilingualism: A Manifesto Katrin Kohl 2020-05-20 Multilingualism is integral to the human condition. Hinging on the concept of Creative Multilingualism – the idea that language diversity and creativity are mutually enriching – this timely and thought-provoking volume shows how the concept provides a matrix for experimentation with ideas, approaches and methods. The book presents four years of joint research on Creative Multilingualism conducted across disciplines, from the humanities through to the social and natural sciences. It is structured as a manifesto,

comprising ten major statements which are unpacked and explored through various case studies across ten chapters. They encompass areas including the rich relationship between language diversity and diversity of identity, thought and expression; the interaction between language diversity and biodiversity; the 'prismatic' unfolding of meaning in translation; the benefits of linguistic creativity in a classroom-setting; and the ingenuity underpinning 'conlangs' ('constructed languages') such as Tolkien's Quenya and Sindarin, designed to give imagined peoples a distinctive medium capable of expressing their cultural identity. *Creative Multilingualism: A Manifesto* is a welcome contribution to the field of modern languages, highlighting the intricate relationship between multilingualism and creativity, and, crucially, reaching beyond an Anglo-centric view of the world. Intended to spark further research and discussion, this book appeals to young people interested in languages, language learning and cultural exchange. It will be a valuable resource for academics, educators, policy makers and parents of bilingual or multilingual children. Its accessible style also speaks to general readers interested in the role of language diversity in our everyday lives, and the untapped creative potential of multilingualism.

Reframing remembrance Lisa Harper Campbell 2021-11-09 Reframing remembrance examines films about the Nazi Occupation of France, charting how this period has been commemorated and how it has affected the articulation of French national identity. The book proposes that 1995 marked the beginning of a new approach to commemoration, reflected by socio-political acts, such as Jacques Chirac's July 1995 Vél' d'Hiv speech, and artistic acts, most notably films set during the Occupation. This is an approach that embraces critical engagement with history and its retelling. With relevance to countries beyond France and events far removed from the Second World War, Reframing remembrance highlights the need for ongoing, honest remembrance and self-reflection as cultural representations of history continue to shape contemporary views about nations' identities and their global responsibilities.

Jean de Florette Marcel Pagnol 1988 Tells the story of Jean de Florette, a 35-year-old, city-bred, hunchbacked idealist, his wife, Aimee, and his daughter, Manon. In the second novel, Manon seeks revenge for her father's death, and it is she who brings the wheel full circle in a final dramatic retribution in the town square.

La Dentellière Pascal Lainé 2017-10-03 The full French text of Lainé's novel is accompanied by French-English vocabulary. Notes and a detailed introduction in English put the work in its social and historical context.

From Frontiers to Football Matthew Brown 2014-08-15 With Brazil hosting the FIFA World Cup this summer and the Olympic Games in 2016, all eyes are on Latin America. But what vision of these countries will we be given? Will our airwaves be full of cultural stereotypes about Latin Americans and inaccurate interpretations of the region's position in the world? In *From Frontiers to Football*, Matthew Brown provides a much-needed historical analysis to rebut misconceptions about Latin America's past while giving readers the tools with which to understand the region's complex present. Telling the story of Latin America's engagement with global empires from 1800 to today, *From Frontiers to Football* is as much a narrative of repeated cycles, continued dependency, and thwarted dreams as it is a tale of imperial designs overthrown, colonial armies defeated, and other successes that have inspired colonized peoples across the globe. Brown restores a cultural history to the continent, giving as much attention to pop singer Shakira and retired footballer Pelé as he does to coffee producers, copper miners, government policies, and

covert imperialism. Latin America, Brown shows, is no longer a frontier or periphery, but rather is at the forefront of innovation and a global center for social, cultural, and economic activities. Clear and readable, *From Frontiers to Football* presents a compelling introduction to the history of Latin America's interactions with the world over the last two centuries.

A Bag of Marbles Joseph Joffo 2013-10-01 In 1941, ten-year-old Joseph Joffo and his older brother, Maurice, must hide their Jewish heritage and undertake a long and dangerous journey from Nazi-occupied Paris to reach their other brothers in the free zone.

Don't Let My Past Be Your Future Harry Leslie Smith 2017-09-14 'Harry Leslie Smith is a vital and powerful voice speaking across generations about the struggle for a just society' Jeremy Corbyn THIS A CALL TO ARMS FOR THE MANY, NOT THE FEW: DON'T LET THE PAST BECOME OUR FUTURE Harry Leslie Smith is a great British stalwart. A survivor of the Great Depression, a Second World War veteran, a lifelong Labour supporter and a proud Yorkshire man, Harry's life has straddled two centuries. As a young man, he witnessed a country in crisis with no healthcare, no relief for the poor, and a huge economic gulf between the North and South. Now in his nineties, Harry wanders through the streets of his youth and wonders whether anything has actually changed. Britain is at its most dangerous juncture since Harry's youth - the NHS and social housing are in crisis, whilst Brexit and an unpopular government continue to divide the country - but there is hope. Just as Clement Attlee provided hope in 1945, Labour's triumphant comeback of June 2017 is a beacon of light in this season of discontent. Britain has overcome adversity before and will do so again - a new nation will be forged from the ashes of grave injustice. Moving and passionate, *Don't Let My Past be Your Future* interweaves memoir and polemic in a call to arms. Above all, this book is a homage to the boundless grace and resilience of the human spirit.
